TEXAS AEGIS LLC

STATEWIDE

TEXAS COVERAGE

24/7 Dispatch

Company Capabilities Statement

Professional Officer and Project Support.

Texas Aegis LLC supports businesses, construction companies, roadway contractors, utilities, and traffic-control contractors with personnel and services coordinated around each assignment.

CORE CAPABILITIES

Off-Duty Police Officers

Experienced law-enforcement professionals for project locations, businesses, events, and specialized assignments.
Coordination of multiple officers, recurring shifts, and longer-term construction projects, subject to availability.

Traffic Control Officers

Officer coordination for utility work, roadway construction, work zones, events, and lane closures.

Barricades & Lane Closures

Project support involving cones, barrels, advance warning signs, barricades, and lane or road closure needs.

Professional Security

A professional presence shaped around your site, property, people, schedule, and operating needs.

Investigative Services

Discreet fact-finding and case support for organizations, businesses, and private clients.

24/7 Dispatch & Emergency Response

Contact Texas Aegis around the clock for urgent officer requests and emergency coverage inquiries.
